## HANDMADE TILE *for an* ARTFUL INSTALLATION

### ATLANTIC CRACKLE GLAZE C34

Moderate glaze movement.

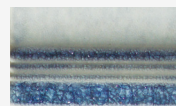

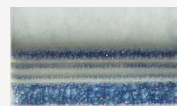

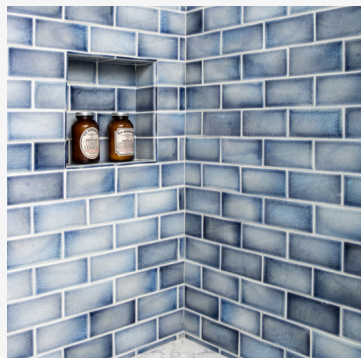

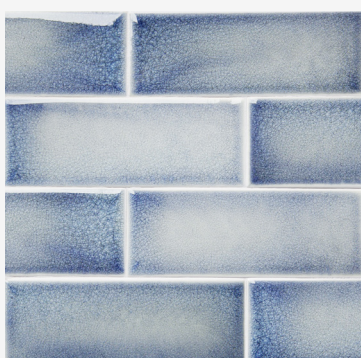

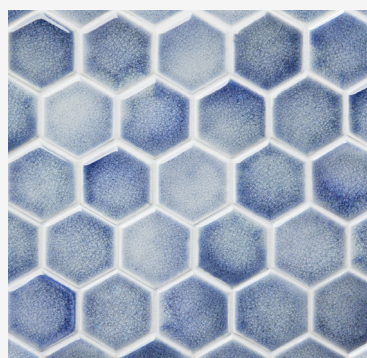

High color range.

**A light, vibrant cobalt with gray and green tones in the lowlights alongside sky-toned highlights. May appear light on high relief points and dark on low relief points.**

**Smaller pieces:** Expect each piece to vary greatly from light to dark.

**Medium + Larger pieces:** The hand applied glaze application will give you a full range of tones.

**Carved pieces:** Expect to see pooling in deeper areas and a lighter application on high areas. Each piece will vary greatly from field tile.

## EXPECT TO SEE ANY OR ALL OF THIS RANGE

Each order is custom made and is not returnable. Expect variation from order to order.
