## HANDMADE TILE *for an* ARTFUL INSTALLATION

### FRESCO GLOSS GLAZE G5

High glaze movement.

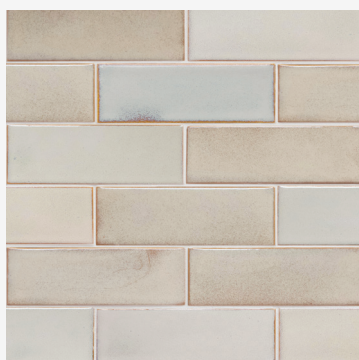

High color range.

**Pale olive to avocado green accented by rust brown, or varying amounts of rust brown accented by pale green. Pooling and thinning on carved surfaces dramatically increase the range of rusts, pale greens and gray tones.**

**Smaller pieces:** *Expect each piece to vary greatly from light to dark.*

**Medium + Larger pieces:** *The hand applied glaze application will give you a full range of tones.*

**Carved pieces:** *Expect to see pooling in deeper areas and a lighter application on high areas. Each piece will vary greatly from field tile.*

## EXPECT TO SEE ANY OR ALL OF THIS RANGE

Each order is custom made and is not returnable. Expect variation from order to order.
