

ENCORE CERAMICS

HANDMADE TILE *for an* ARTFUL INSTALLATION

OCEAN QUARTZ GLAZE Q8

High glaze movement.

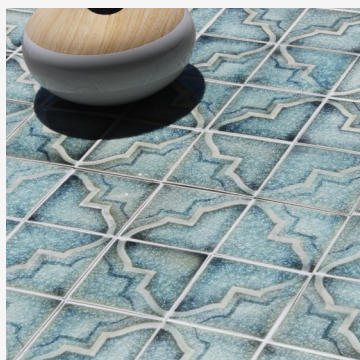

High color range.

A soft aquamarine to a vibrant teal blue-green with myriad overtones, including moss, evergreen, yellow-green and violet. Higher relief and edging range includes a soft matte gold along with areas of pooled opalescent russets and purples. **Extreme range: order will not reflect the full range.**

Smaller pieces: Expect each piece to vary greatly from light to dark.

Medium + Larger pieces: The hand applied glaze application will give you a full range of tones.

Carved pieces: Expect to see pooling in deeper areas and a lighter application on high areas. Each piece will vary greatly from field tile.

EXPECT TO SEE ANY OR ALL OF THIS RANGE

Each order is custom made and is not returnable. Expect variation from order to order.
