HANDMADE TILE *for an* ARTFUL INSTALLATION

PEACOCK QUARTZ GLAZE Q10

High glaze movement.

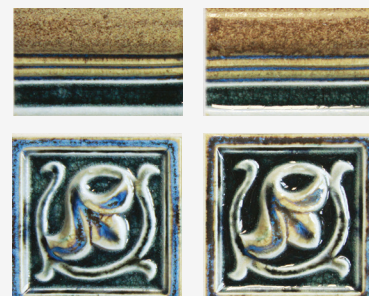

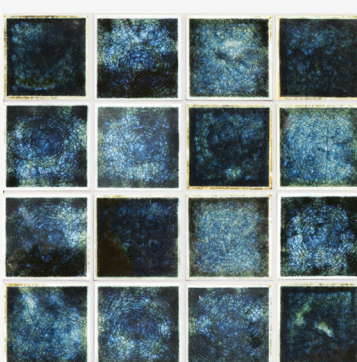

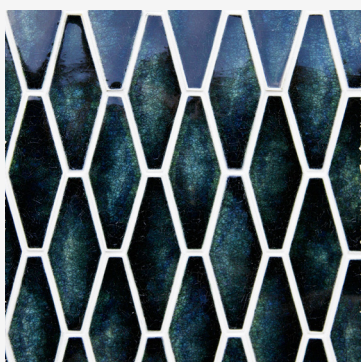

High color range.

A deep French to navy blue with teal and olive to green undertones. A vibrant sky blue is apparent on occasion. Higher relief & edging range include deep browns tinted by the quartz color. Areas of pooled opalescent russets and deep blue will occur.

Smaller pieces: *Expect each piece to vary greatly from light to dark.*

Medium + Larger pieces: *The hand applied glaze application will give you a full range of tones.*

Carved pieces: *Expect to see pooling in deeper areas and a lighter application on high areas. Each piece will vary greatly from field tile.*
