

ENCORE CERAMICS

HANDMADE TILE *for an* ARTFUL INSTALLATION

POND CRACKLE GLAZE C20

High glaze movement.

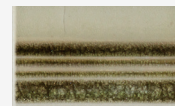

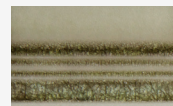

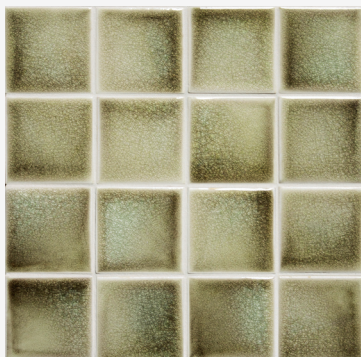

High color range.

A rich yellow-green with hues of mint and aquamarine. Undertones of olive and deep moss, with gray along the edging. May include hints of rose and appear light on high relief and dark on lower relief.

Smaller pieces: *Expect each piece to vary greatly from light to dark.*

Medium + Larger pieces: *The hand applied glaze application will give you a full range of tones.*

Carved pieces: *Expect to see pooling in deeper areas and a lighter application on high areas. Each piece will vary greatly from field tile.*

EXPECT TO SEE ANY OR ALL OF THIS RANGE

Each order is custom made and is not returnable. Expect variation from order to order.
