

ENCORE CERAMICS

HANDMADE TILE *for an* ARTFUL INSTALLATION

RAIN QUARTZ GLAZE Q11

High glaze movement.

Moderate color range.

A pale glass blue with varying shades of gray-blue, gray-lavender or rose, and hints of pale green and yellow overtones. Higher relief and edging range includes a soft matte gray-gold and golden-beige, along with areas of pooled opalescent russets and purples.

Smaller pieces: *Expect each piece to vary greatly from light to dark.*

Medium + Larger pieces: *The hand applied glaze application will give you a full range of tones.*

Carved pieces: *Expect to see pooling in deeper areas and a lighter application on high areas. Each piece will vary greatly from field tile.*

EXPECT TO SEE ANY OR ALL OF THIS RANGE

Each order is custom made and is not returnable. Expect variation from order to order.
