HANDMADE TILE *for an* ARTFUL INSTALLATION

STUNNING PRECOCIOUS GLAZE P5

High glaze movement.

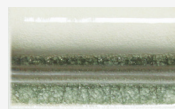

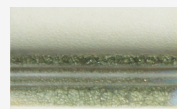

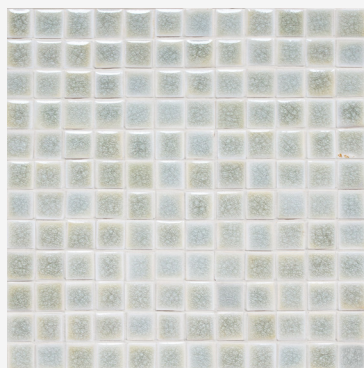

Moderate color range.

Warm to cool celadon green with a subtle degree of opalescence. Many pieces will not show opalescence. Relief pieces may show more light blue opalescence with occasional glaze breaks that reveal touches of gold and rust.

Smaller pieces: Expect each piece to vary greatly from light to dark.

Medium + Larger pieces: The hand applied glaze application will give you a full range of tones.

Carved pieces: Expect to see pooling in deeper areas and a lighter application on high areas. Each piece will vary greatly from field tile.

EXPECT TO SEE ANY OR ALL OF THIS RANGE

Each order is custom made and is not returnable. Expect variation from order to order.
