

# ENCORE CERAMICS

## HANDMADE TILE *for an* ARTFUL INSTALLATION

### HEATHER MATTE GLAZE M27

High glaze movement.

High color range.

**A complex and herbaceous green with light aqua, sage, khaki, lavender, rose, and buttery undertones. Ochre edges can appear on relief and flat tiles. Light to medium umber freckling. Some peppering may occur.**

**Smaller pieces:** *Expect each piece to vary greatly from light to dark.*

**Medium + Larger pieces:** *The hand applied glaze application will give you a full range of tones.*

**Carved pieces:** *Expect to see pooling in deeper areas and a lighter application on high areas. Each piece will vary greatly from field tile.*

## EXPECT TO SEE ANY OR ALL OF THIS RANGE

Each order is custom made and is not returnable. Expect variation from order to order.
