

ENCORE CERAMICS
HANDMADE TILE *for an* ARTFUL INSTALLATION

SAND MATTE GLAZE M37

 *Moderate glaze movement.*  *Moderate color range.*

A creamy blend of warm and cool neutrals ranging in color from eggshell to a muted golden beige. Dark ochre lines can appear along relief and tile edges. Light to medium sepia freckling throughout. Expect light peppering.

Smaller pieces: *Expect each piece to vary greatly from light to dark.*

Medium + Larger pieces: *The hand applied glaze application will give you a full range of tones.*

Carved pieces: *Expect to see pooling in deeper areas and a lighter application on high areas. Each piece will vary greatly from field tile.*

EXPECT TO SEE ANY OR ALL OF THIS RANGE

Each order is custom made and is not returnable. Expect variation from order to order.
