

ENCORE CERAMICS
HANDMADE TILE *for an* ARTFUL INSTALLATION

KELP MATTE GLAZE M29

High glaze movement.

High color range.

A dappled celadon with warm buttery undertones with aqua and occasional mauve overtones. Light to heavy sepia freckling throughout.

Smaller pieces: *Expect each piece to vary greatly from light to dark.*

Medium + Larger pieces: *The hand applied glaze application will give you a full range of tones.*

Carved pieces: *Expect to see pooling in deeper areas and a lighter application on high areas. Each piece will vary greatly from field tile.*

EXPECT TO SEE ANY OR ALL OF THIS RANGE

Each order is custom made and is not returnable. Expect variation from order to order.
