

ENCORE CERAMICS  
HANDMADE TILE *for an* ARTFUL INSTALLATION

# AUTUMN GLOSS GLAZE J1

 Moderate glaze movement.  Minimal color range.

**A dark red amber to golden red, which may appear lighter in the center. The crackle may appear darker in smaller cavities. Higher relief & edging ranges from light beige to medium gold tones that are lightly accented by the crackle color.**

**Smaller pieces:** *Expect each piece to vary greatly from light to dark.*

**Medium + Larger pieces:** *The hand applied glaze application will give you a full range of tones.*

**Carved pieces:** *Expect to see pooling in deeper areas and a lighter application on high areas. Each piece will vary greatly from field tile.*

## EXPECT TO SEE ANY OR ALL OF THIS RANGE

Each order is custom made and is not returnable. Expect variation from order to order.
