

ENCORE CERAMICS  
HANDMADE TILE *for an* ARTFUL INSTALLATION

**ICE CRACKLE GLAZE** c12

Minimal glaze movement.

Minimal color range.

**A translucent glass with green to yellow undertones and occasional hints of rosy taupe.**

**Smaller pieces:** *Expect each piece to vary greatly from light to dark.*

**Medium + Larger pieces:** *The hand applied glaze application will give you a full range of tones.*

**Carved pieces:** *Expect to see pooling in deeper areas and a lighter application on high areas. Each piece will vary greatly from field tile.*

**EXPECT TO SEE ANY OR ALL OF THIS RANGE**

Each order is custom made and is not returnable. Expect variation from order to order.

**EACH GLAZE MIXED BY HAND.**

Natural variations in the earth give glazes artful variations.

**HAND APPLIED GLAZES USING SKILLED TECHNIQUES.**

Every tile is made to order for your installation.

**BEFORE KILN FIRING.**

After carefully creating and applying the glaze, we await the big reveal.

**AFTER KILN FIRING.**

Each organic step of the process gives character and depth to the final product.
