

ENCORE CERAMICS
HANDMADE TILE *for an* ARTFUL INSTALLATION

SOCHI JEWEL GLAZE J24

Moderate glaze movement.

Moderate color range.

A clear crackle that may show hints of light glass green. Higher relief and edging range includes snow white to warm gray tones accented by the crackle color.

Smaller pieces: *Expect each piece to vary greatly from light to dark.*

Medium + Larger pieces: *The hand applied glaze application will give you a full range of tones.*

Carved pieces: *Expect to see pooling in deeper areas and a lighter application on high areas. Each piece will vary greatly from field tile.*

EXPECT TO SEE ANY OR ALL OF THIS RANGE

Each order is custom made and is not returnable. Expect variation from order to order.
