HANDMADE TILE *for an* ARTFUL INSTALLATION

WINDRIFT CRACKLE GLAZE C30

Minimal glaze movement.

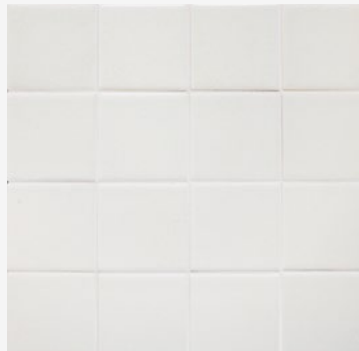

Minimal color range.

A colorless recycled glass glaze, with warm undertones due to the clay body visible beneath. On areas with heavier application, there may be occasional soft yellow or turquoise undertones.

Smaller pieces: *Expect each piece to vary greatly from light to dark.*

Medium + Larger pieces: *The hand applied glaze application will give you a full range of tones.*

Carved pieces: *Expect to see pooling in deeper areas and a lighter application on high areas. Each piece will vary greatly from field tile.*

EXPECT TO SEE ANY OR ALL OF THIS RANGE

Each order is custom made and is not returnable. Expect variation from order to order.
