

ENCORE CERAMICS
SUSTAINABLY HANDCRAFTED IN OREGON

GLACIER JEWEL GLAZE 1GLA

 Moderate glaze movement.  Minimal color range.

A clear crackle that may show hints of light glass green. Higher relief and edging range includes snow white to warm gray tones accented by the crackle color.

Smaller pieces: Expect each piece to vary greatly from light to dark.

Medium + Larger pieces: The hand applied glaze application will give you a full range of tones.

Carved pieces: Expect to see pooling in deeper areas and a lighter application on high areas. Each piece will vary greatly from field tile.

EXPECT TO SEE ANY OR ALL OF THIS RANGE

Each order is custom made and is not returnable. Expect variation from order to order.
