# HARVEST CRACKLE GLAZE HAR

 Moderate glaze movement.  Moderate color range.

**A rich golden yellow with soft movement throughout. It will appear lighter on higher relief and darker in cavities.**

**Smaller pieces:** Expect each piece to vary greatly from light to dark.

**Medium + Larger pieces:** The hand applied glaze application will give you a full range of tones.

**Carved pieces:** Expect to see pooling in deeper areas and a lighter application on high areas. Each piece will vary greatly from field tile.

## EXPECT TO SEE ANY OR ALL OF THIS RANGE

Each order is custom made and is not returnable. Expect variation from order to order.
