GARNET JEWEL GLAZE 4PAG

 Moderate glaze movement.  Minimal color range.

A medium garnet to deep red wine. It may appear darker at the edges of a cavity and lighter in the center. Higher relief and edging range includes ranges from a light to dark chocolate brown, tinted with russet and purples accented by the crackle color.

Smaller pieces: Expect each piece to vary greatly from light to dark.

Medium + Larger pieces: The hand applied glaze application will give you a full range of tones.

Carved pieces: Expect to see pooling in deeper areas and a lighter application on high areas. Each piece will vary greatly from field tile.

EXPECT TO SEE ANY OR ALL OF THIS RANGE

Each order is custom made and is not returnable. Expect variation from order to order.
