

ENCORE CERAMICS
SUSTAINABLY HANDCRAFTED IN OREGON

SEAFOAM CRACKLE GLAZE SEF

Moderate glaze movement.

Moderate color range.

Light blue with green tones present on thicker applications. Creamy undertones may be present on lighter applications.

Smaller pieces: Expect each piece to vary greatly from light to dark.

Medium + Larger pieces: The hand applied glaze application will give you a full range of tones.

Carved pieces: Expect to see pooling in deeper areas and a lighter application on high areas. Each piece will vary greatly from field tile.

EXPECT TO SEE ANY OR ALL OF THIS RANGE

Each order is custom made and is not returnable. Expect variation from order to order.
