

ENCORE CERAMICS
SUSTAINABLY HANDCRAFTED IN OREGON

TITANIUM GLOSS GLAZE TIA

 Minimal glaze movement.  Moderate color range.

A cool pale gray with slate blue undertones and occasional warm lavender highlights. Glaze may thin around the edges of carvings. Light peppering may occur.

Smaller pieces: Expect each piece to vary greatly from light to dark.

Medium + Larger pieces: The hand applied glaze application will give you a full range of tones.

Carved pieces: Expect to see pooling in deeper areas and a lighter application on high areas. Each piece will vary greatly from field tile.

EXPECT TO SEE ANY OR ALL OF THIS RANGE

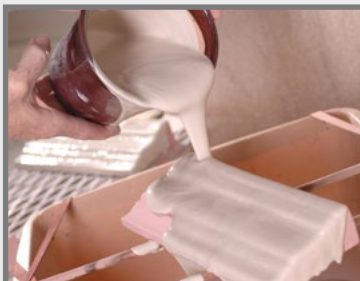

Each order is custom made and is not returnable. Expect variation from order to order.
