MIRAGE MATTE GLAZE MIR

High glaze movement.

High color range.

A blue-green with extreme movement, ranging from light green to heavy green. Some yellow, aqua, and khaki may be present. Gold and brown accents and washes appear, especially on field tile. Occasional black washes will occur. Extreme range: order will not reflect the full range.

Smaller pieces: Expect each piece to vary greatly from light to dark.

Medium + Larger pieces: The hand applied glaze application will give you a full range of tones.

Carved pieces: Expect to see pooling in deeper areas and a lighter application on high areas. Each piece will vary greatly from field tile.

EXPECT TO SEE ANY OR ALL OF THIS RANGE

Each order is custom made and is not returnable. Expect variation from order to order.
