ACACIA MATTE GLAZE ACA

 Minimum glaze movement.  Moderate color range.

A matte umber with soft movement, warm undertones, rust washes and occasional watermarks.
A subtle texture may occur due to the thickness of the glaze.

Smaller pieces: Expect each piece to vary greatly from light to dark.

Medium + Larger pieces: The hand applied glaze application will give you a full range of tones.

Carved pieces: Expect to see pooling in deeper areas and a lighter application on high areas. Each piece will vary greatly from field tile.

EXPECT TO SEE ANY OR ALL OF THIS RANGE

Each order is custom made and is not returnable. Expect variation from order to order.
