

ENCORE CERAMICS

SUSTAINABLY HANDCRAFTED IN OREGON

FROST MATTE GLAZE

FRO

Minimum glaze movement.

Moderate color range.

Our brightest matte white with occasional light-golden tones on edges and high relief. Light peppering may occur.

Smaller pieces: Expect each piece to vary greatly from light to dark.

Medium + Larger pieces: The hand applied glaze application will give you a full range of tones.

Carved pieces: Expect to see pooling in deeper areas and a lighter application on high areas. Each piece will vary greatly from field tile.

EXPECT TO SEE ANY OR ALL OF THIS RANGE

Each order is custom made and is not returnable. Expect variation from order to order.
