

ENCORE CERAMICS

SUSTAINABLY HANDCRAFTED IN OREGON

OXIDE HERITAGE GLAZE OXI

High glaze movement.

High color range.

An aged sienna with an extreme degree of color and range variation. Washes of brick red, khakis, burnt umbers and deep browns throughout. Occasional chalky highlights may occur. Extreme range: order will not reflect the full range.

Smaller pieces: Expect each piece to vary greatly from light to dark.

Medium + Larger pieces: The hand applied glaze application will give you a full range of tones.

Carved pieces: Expect to see pooling in deeper areas and a lighter application on high areas. Each piece will vary greatly from field tile.

EXPECT TO SEE ANY OR ALL OF THIS RANGE

Each order is custom made and is not returnable. Expect variation from order to order.
