

ENCORE CERAMICS
SUSTAINABLY HANDCRAFTED IN OREGON

STERLING CRACKLE GLAZE STE

Moderate glaze movement.

Moderate color range.

A light, neutral gray with blue undertones. May appear lighter on high relief and darker on lower relief.

Smaller pieces: Expect each piece to vary greatly from light to dark.

Medium + Larger pieces: The hand applied glaze application will give you a full range of tones.

Carved pieces: Expect to see pooling in deeper areas and a lighter application on high areas. Each piece will vary greatly from field tile.

EXPECT TO SEE ANY OR ALL OF THIS RANGE

Each order is custom made and is not returnable. Expect variation from order to order.
