

# ENCORE CERAMICS

## SUSTAINABLY HANDCRAFTED IN OREGON

# TERRA WASH GLAZE TER

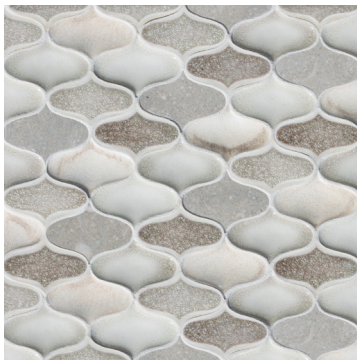

High glaze movement.

High color range.

**An antiqued tan characterized by brown stain. May vary dramatically from dark coffee brown to light tan. Field tile will show softer washes of color, while relief pieces have more textured antiquing.**

**Smaller pieces:** Expect each piece to vary greatly from light to dark.

**Medium + Larger pieces:** The hand applied glaze application will give you a full range of tones.

**Carved pieces:** Expect to see pooling in deeper areas and a lighter application on high areas. Each piece will vary greatly from field tile.

## EXPECT TO SEE ANY OR ALL OF THIS RANGE

Each order is custom made and is not returnable. Expect variation from order to order.
