

ENCORE CERAMICS

Glaze & Size Variation Is the Signature of Handmade Tile

Handmade ceramic tile bears the marks of the human hand—subtle shifts in color, texture, glaze, and size no machine can replicate. These variations are the essence that makes each piece alive, creating a surface full of dynamic character.

THE NATURAL COLOR AND SIZE VARIATION WITH YOUR CLIENT:

Date: _____

Salesperson: _____

HERON WASH GLAZE

A speckled sky blue with dark earthy brown beneath, and golden tan flecks throughout.

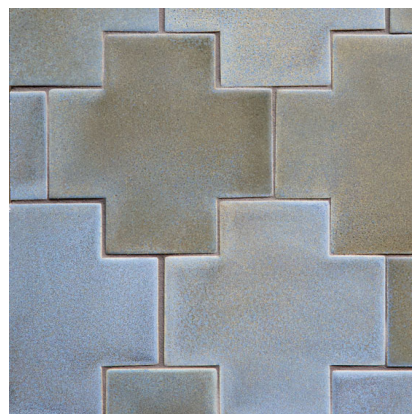

High glaze movement | High color range

Smaller pieces: Expect each piece to vary greatly from light to dark.

Medium + Larger pieces: The hand applied glaze application will give you a full range of tones.

Medium + Larger pieces: The hand applied glaze application will give you a full range of tones.

EXPECT TO SEE ANY OR ALL OF THIS RANGE

Natural variation in color occurs as raw materials subtly change over time
