

# Glaze & Size Variation Is the Signature of Handmade Tile

Handmade ceramic tile bears the marks of the human hand—subtle shifts in color, texture, glaze, and size no machine can replicate. These variations are the essence that makes each piece alive, creating a surface full of dynamic character.

## PEPPERCORN HERITAGE GLAZE

A peppered golden taupe and occasionally chocolate brown with varying degrees of teal highlights. A vivid mint will occur with heavier glaze application and pooling. Extreme range: order will not reflect the full range.

High glaze movement | High color range

**Smaller pieces:** Expect each piece to vary greatly from light to dark.

**Medium + Larger pieces:** The hand applied glaze application will give you a full range of tones.

**Carved pieces:** Expect to see pooling in deeper areas and a lighter application on high areas.

**EXPECT TO SEE ANY OR ALL OF THIS RANGE**
