2026 NEW GLAZES

BAYOU CRACKLE GLAZE

YOU ASKED, WE LISTENED:
PAIRS PERFECTLY WITH OCEAN

A translucent blue-green crackle glaze with soft tonal variation and visible craze lines throughout. Color ranges from pale aqua to deeper mossy blue, with lighter breaks along edges and high points.

High glaze movement | High color range

VIEW MORE AT encoreceramics.com/product/bayou/

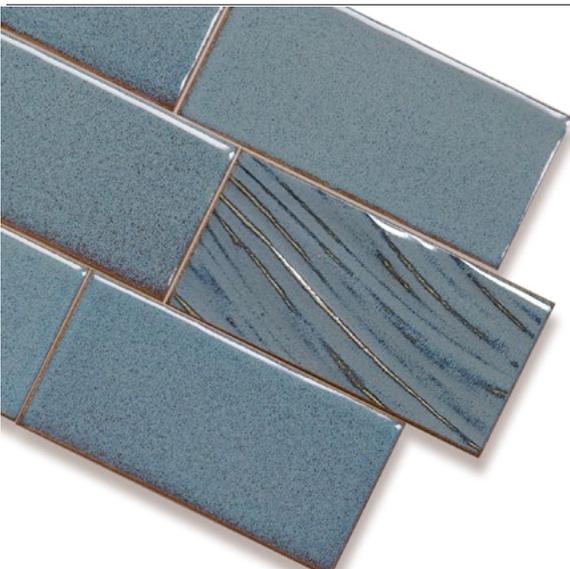

BRULEE GLOSS GLAZE

A warm off-white gloss glaze with fine, evenly distributed sand-toned speckling. Expect lighter concentrations where pooling occurs, crisp high-light lines on raised motifs, and sandy tones visible along edge breaks.

Moderate glaze movement | Moderate color range

HARBOR GLOSS GLAZE

A glossy mid-blue glaze with fine, natural speckling that varies from tile to tile. Tone ranges from lighter to deeper blue and may lean slightly teal depending on application and firing. Overall, a consistent, smooth surface with moderate variation that highlights its handcrafted character. Suitable for most field tiles, decos and trims.

High glaze movement | Moderate color range
